INFORMAL REVIEWS AND ADDITIONAL WORK:

An informal review request to CCPC (such as meetings and discussions prior to the formal development application) shall be free of charge if said written request is from the municipality, or from an applicant with the knowledge and written consent of the municipality. In no case will informal review by CCPC replace the need for a formal review which would include the submission of the required fee listed above pursuant to the Municipalities Planning Code.

TIME LIMITATIONS:

The review time period will begin from the date of receipt by CCPC of the application requesting a review by CCPC. CCPC has thirty (30) days within which to review subdivision and land development applications and submit review comments. The review period may be extended if requested by the applicant or a time extension has been granted by the municipality with the concurrence of the applicant. When the time period has been stopped due to an incomplete application package, incorrect fee submittal or other reasons, the time period will continue from the day in which the application package is complete. CCPC has thirty (30) days within which to review ordinance amendments, and forty-five (45) days within which to review comprehensive plans, official maps, and complete ordinances.
